
HP TouchSmart 610-1000uk Desktop PC

Windows®. Life without Walls™. HP recommends Windows 7.

- **A touch of genius**
  The latest evolution of HP's TouchSmart software makes it easier to be entertained, get creative, and have fun. Enjoy the award-winning multi-touch technology suite which makes it easier than ever to personalize and access your digital content.
- **Celebrate the sound**
  Elevate your listening experience with premium music playback that MP3 players can't touch. Make it sound the way you like it—the Beats™ Audio Console allows you to customize your output through a powerful, easy-to-use equalizer.
- **An extraordinary family PC**
  The modern all-in-one design keeps your world clutter free: just plug it in and you're ready to go. A stunning 23" diagonal widescreen display becomes the best canvas in the house for all kinds of family activities.
- **The best view for interacting**
  Slide the 58,4cm (23") screen down to a 30° angle for the most confortable viewing position and touch interaction. Or hang it off a wall and enjoy endless hours of online fun with family and friends.
- **Full HD and game console connectivity**
  Get the most out of your HD content with the 58,4 cm (23") HP TouchSmart 610 PC's full HD screen. It has the connectivity to double as an extra-large display for your favourite game console (on selected models only). Share the fun!

Step into the world of touch with the 58.4 cm (23") HP TouchSmart 610 PC featuring the HP latest TouchSmart software. Play and entertain at home with the easy wall mount and full HD screen. Find out more on www.hp.com/eur/touch
